Explanation - This amendment makes no change to the total appropriation amount for DPHHS. This amendment removes the requirement to downsize the Montana Chemical Dependency Center (MCDC) and it also removes the requirement that part of the funding currently supporting MCDC be used to develop community services for chemical dependency treatment. This amendment also reallocates funds from community treatment services in FY 2013 to personal services and provides funding for a total of 57.32, an increase of 28.66 compared to the current version of HB 2.
